Subject Closing on a domain management service E-MAIL BASED SYSTEM (old system).

Dear Domain name Owner

Attachment Procedure of domain transferring to Log in based system

As you have registered domain names under .th at T.H.NIC Co., Ltd. and use E-MAIL BASED SYSTEM to manage a domain.

THNIC would like to inform you that E-MAIL BASED SYSTEM is unstable. Due to it was used for long time and it is difficult to maintain or find some equipment that is compatible replacement. This may cause your domain's data has been damaged in the future, so THNIC is scheduled to shut down E-MAIL BASED SYSTEM on September 30, 2009. During this THNIC has to move your domain to temporary ACCOUNT of new system (LOG-IN BASED SYSTEM), which will effect in your domain modification.

THNIC ask you do the migration by opening ACCOUNT (if you have not signed up it yet) and inform your ACCOUNT who will manage your domain to THNIC. You can see more information of the procedure and process as attachment. In the document, THNIC also has provided two methods to facilitate the process of migration.

Please be informed accordingly. And apologize for the inconvenience you may have.

Yours truly,

(Mr.Parkpoom Tripatana)

Managing Director
